Proverbs 15:10-13 — ¹⁰ Stern discipline awaits him who leaves the path; he who hates correction will die. ¹¹ Death and Destruction lie open before the LORD—how much more the hearts of men! ¹² A mocker resents correction; he will not consult the wise. ¹³ A happy heart makes the face cheerful, but heartache crushes the spirit.

Sunday Service April 25, 2010

Let's be sure to make our final worship service of April one that the Lord our God will remember forever. At first, this may seem like a spiritually daunting task, but on closer review it really isn't. When we gather on Sundays to worship God, He does not ask for our singing to sound like the Mormon Tabernacle Choir, our prayers to be perfectly worded, our sharing and preaching to be filled with the deepest of insights and grammatically perfect. God simply is looking for us to give our heart, to be vulnerable, to be open to His will, and to be united with our brothers and sisters. This is truly possible to accomplish and we must remember that with the Holy Spirit we have great guidance and support. Scott will continue to focus on the spiritual necessity of "faith" as he preaches about increasing one's faith and living by faith. Let's all be praying that God will lead us to souls that are interested in joining us at service. Remember, God can't work through you if you are not out there sharing and telling people about our amazing church services. We will meet at the church building beginning at 1:00 pm.

Sunday Service May 2, 2010

The month of May is always a time where we start to get outdoors more. The trees start to grow their leaves, some of the flowers start blossoming, and the temperature begins to climb. Let's all be praying that in our spiritual worship we can emulate some of this beauty and renewal. Our church services can always grow and reach new heights as the worshippers grow and reach new heights. Let's keep this all in mind as we begin a new month of worship services. Our focus for service will be none other than faith, faith, faith, faith. Please be praying for all aspects of this service.

Mother's Day Sunday Service May 9, 2010

As much as we all love, respect, and appreciate our mothers and/or mother figures, let's keep in mind that as we gather for this worship, it is to honor and glorify God first and foremost. Yet, it is also a great opportunity to encourage, lift up, and show appreciation for all that motherhood stands for. We are a congregation that believes very deeply in the institution of motherhood, because the Scriptures so clearly define the importance the role of a mother plays in our spiritual health and development. Not the mention all their good cooking and warm hugs and kisses. Let's start telling all the Moms we know about this service ASAP. As always, we will have something simple but special to honor all the Moms that are at service.

Please pray for Dave Rydelnick's family. Dave's grandfather is in the hospital and doctors expect that he will pass in the next several days. Please be praying for strength and wisdom as Dave reaches out to his grandfather at this very crucial time. Pray for miracles surrounding this situation.

Pray for Sabrina Taylor that many people would sign up for her classes at school. Also, pray that her health issues will be resolved.

Pray for our congregation overall that we continue to grow in our openness, vulnerability, and humility before God and one another.

Pray for this upcoming Saturday's car wash.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families

Prayers Answered

Many in the church have been praying that we reach our weekly church budget goal. Over the last couple of months, God has accomplished this. To Him be the glory!

**Preteen and Young Teen Car Wash
Saturday, April 24, 2010**

There will be a car wash held in Halfmoon this upcoming Saturday morning from 10:00 am—2:00 pm. We are asking the parents and children to arrive at 9:30 am so that we can get things set up. We also encourage singles, campus students, and any member of the congregation who would like to join us to please do so. Remember, the more people we have the more visual we will be and the more cars we will be able to wash. The result of all this is more money to help defer the cost of our preteen and teen Christian summer camps. Let's all be keeping this in our prayers for the remainder of the week.

**Preteen and Young Teen Bake Sale
Sunday, April 25, 2010**

As has been occurring over the last month or so, the preteen and young teen ministries will be selling food following our Sunday service. This has been a great time of fellowship for the members of the congregation and a great way to support this spiritual endeavor. So, instead of picking up some fast food after service, why not spend the money in support of the young in our congregation. Thank you. Thank you. Thank you.

**CDCC Women's Day
May 1, 2010**

This incredible women's event is a short 9 days away!!! Ladies, are you giving everything you have spiritually, emotionally, mentally, and physically to making this day greatly honor God and strongly advance the Women's Ministry??? Each woman has a very important responsibility in one way or another and your faithful service in this area is truly needed to make the brunch a success. Please make sure you are not waiting until the last minute to learn your lines, prepare your sharing, purchase necessary supplies, etc. etc. etc. Finally, ask yourselves have I been doing everything I should be in order to get another woman out to this spiritually transforming gathering. The event will be held at the church building beginning at 10:30 am so please be sure to arrive in plenty of time to help out with any needs and assure things start on time. To God be the glory!!

NOTE: The amazing and visually impacting Women's Day invitations are in our hands. Let's be sure to be utilizing them in a faithful and effective manner for God and the Women's Ministry here in the CDCC. Remember, let's be praying for each person to have multiple visitors with them. To God be the glory!

Congregational Visit to the Glen Eddy Nursing Home

On Saturday, May 8, the congregation will once again be going to the Glen Eddy Nursing Home to encourage and serve the elderly who live there. Being that this falls the day before Mother's Day, Rachel Rogers, our event coordinator, asks that we try to think of things that specifically tie in to this holiday. More information will be forthcoming.

Syracuse Regional Church Inaugural Service May 16, 2010

The Syracuse Regional Church that numbers about 20 disciples hired a full-time ministry couple at the beginning of this year. This congregation has been tied in with the family of churches known as the International Churches of Christ. Roger and Sue Wine, the leaders of the congregation, have asked our church to come and be part of this celebratory inaugural service. Therefore, there will be no local service on that date and the leadership of our congregation is asking that we all travel up to Syracuse to encourage our brothers and sisters for this worship service. Service will begin at 11:00 am and the travel time should be approximately 2 1/2 hours. The goal is that each and every member of our congregation can be there. More details to follow.
