**Proverbs 15:14-16 — The discerning heart seeks knowledge, but the mouth of a fool feeds on folly. All the days of the oppressed are wretched, but the cheerful heart has a continual feast. Better a little with the fear of the Lord than great wealth with turmoil.**

## Sunday Service May 2, 2010

The month of May is always a time where we start to get outdoors more. The trees start to grow their leaves, some of the flowers start blossoming, and the temperature begins to climb. Let's all be praying that in our spiritual worship we can emulate some of this beauty and renewal. Our church services can always grow and reach new heights as the worshippers grow and reach new heights. Let's keep this all in mind as we begin a new month of worship services. Our focus for service will be none other than faith, faith, faith, faith. Please be praying for all aspects of this service.

## Mother's Day Sunday Service May 9, 2010

As much as we all love, respect, and appreciate our mothers and/or mother figures, let's keep in mind that as we gather for this worship, it is to honor and glorify God first and foremost. Yet, it is also a great opportunity to encourage, lift up, and show appreciation for all that motherhood stands for. We are a congregation that believes very deeply in the institution of motherhood, because the Scriptures so clearly define the importance the role of a mother plays in our spiritual health and development. Not the mention all their good cooking and warm hugs and kisses. Let's start telling all the Moms we know about this service ASAP. As always, we will have something simple but special to honor all the Moms that are at service.

## Syracuse Regional Inaugural Worship Service May 16, 2010

The Syracuse Regional Church that numbers about 20 disciples hired a full-time ministry couple at the beginning of this year. This congregation has been tied in with the family of churches known as the International Churches of Christ. Roger and Sue Wine, the leaders of the congregation, have asked our church to come and be part of this celebratory inaugural service. Therefore, there will be no local service on that date and the leadership of our congregation is asking that we all travel up to Syracuse to encourage our brothers and sisters for this worship service. Service will begin at 11:00 am and the travel time should be approximately 2 1/2 hours. The goal is that each and every member of our congregation can be there. Location and directions to be forthcoming.

**NOTE: We will not be having any type of local church service so please be sure to make every effort to head to Syracuse for this very encouraging worship service. You may also want to consider some carpooling as this will cut down some of the cost of gas and afford great fellowship.**

**NOTE 2: Please let your family group leader know ASAP whether or not you are planning on going. The Syracuse Church is planning on serving food and needs to know how many adults and children to expect.**

## Prayer Requests

Continue to pray for Dave Rydelnick and his family as they mourn the passing of his grandfather.

Please pray for God to bless Women's Day in every and all spiritual aspects.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

## Prayers Answered

This past Sunday Andy Laine asked the congregation to join him in prayer in regards to having his internship extended until June. Thankfully, prayer was answered and Andy will be with us for another 4-5 weeks. To God be the glory!

## CDCC Women's Day May 1, 2010

This great event will be taking place in just a couple of days so let's all be giving our whole heart in prayer, preparation, and inviting people. We are inching closer to our goal of having 65 souls present for this spiritually uplifting time. Be sure to pray for our guest speaker, the women who will be sharing, the women who will be entertaining, the decorations, food, etc. etc. A thank you to all the women that have really worked hard at making this a special women's event. To God be the glory!

## Preteen and Young Teen Bake Sale Sunday, May 2, 2010

As has been occurring over the last month or so, the preteen and young teen ministries will be selling food following our Sunday service. This has been a great time of fellowship for the members of the congregation and a great way to support this spiritual endeavor. So, instead of picking up some fast food after service, why not spend the money in support of the young in our congregation. Thank you. Thank you. Thank you.

## Congregational Visit to the Glen Eddy Nursing Home

On Saturday, May 8, the congregation will once again be going to the Glen Eddy Nursing Home to encourage and serve the elderly who live there. Being that this falls the day before Mother's Day, Rachel Rogers, our event coordinator, ask that we try to think of things that specifically tie in to this holiday. We could share poems, short stories, perform, etc. Please come prepared to give of yourselves. We will be handing out carnations, and we ask that you arrive by 10:00 am.

## Preteen and Young Teen Car Wash Saturday, April 24, 2010

A big thank you to DJ Jinks, Debbie Ebhuoma, and the families that came out to the car wash. This was not only a great time of fellowship, but we also were able to raise over \$150 and tell many people about God and His church.
