**Proverbs 15:7-9 — <sup>7</sup> The lips of the wise spread knowledge; not so the hearts of fools. <sup>8</sup> The LORD detests the sacrifice of the wicked, but the prayer of the upright pleases him. <sup>9</sup> The LORD detests the way of the wicked but he loves those who pursue righteousness.**

## Campus Sunday April 11, 2010

Service for this upcoming Sunday will be on the beautiful campus of SUNY Albany starting at 1:00 pm. Whenever we have a campus Sunday it always brings a certain spiritual electricity and dynamic all its own. We know that campus students have a great propensity to be open-minded and very visionary. If we are faithful in our search for God's lost children on campus, God in return will be faithful back. Let's all be sure to open our minds and hearts to God and get out on campus or in our communities and be inviting people out to this life-changing service. The Campus Ministry will be putting on a skit that is sure to touch the heart and perhaps and even the funny bone of all who are at service. The theme is entitled "Do You Keep It Real?". Scott will preach a sermon that will surround the idea of "keeping it real with God". Let's pour our hearts out to God in prayer for all the dynamics that will make up this incredible worship service. The location will be the same as all of our other campus Sundays which is, of course, the Empire Commons Community Center. Please be sure to arrive a little early for fellowship and to help out with any last minute details. To God be the glory!

## Sunday Service April 18, 2010

We will be returning to our normal meeting location at 10 Old Plank Road for this worship service. The hope and prayer is that not only does this service bring great honor and glory to God, but that we also see a marketable increase in souls visiting with us. We all must remember that the Bible teaches that we as disciples plant and water, but God makes it grow. It is very possible that our low attendances have been due to a lack of planting and watering. If this describes you, please consider honoring God and obeying his request to plant and water. We all know how amazing our worship services are and how powerfully transforming they can be to all those who are present. Let's do our best to help God's church and God's mission. After taking two weeks away from our yearly theme of "faith", the sermon will once again focus on this topic. Service will begin at 1:00 pm.

## Prayer Requests

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

## Prayers Answered

We have all been praying diligently to reach our first Special Contribution milestone for the year which would be to reach \$8,000 by the end of March. God blessed this prayer and we reached that milestone. To Him be the glory!

## Sunday Service April 25, 2010

As we close out the month of April, let's all come to service ready to give our heart, mind, soul, and strength to worshipping the King of Kings and the Lord of Lords. Scott will be preaching a message covering the powerful, spiritual dynamic known as faith. Service begins at 1:00 pm.

## Preteen and Young Teen Bake Sale Sunday, April 11, 2010

Wow...a different location for our bake sale...yea, yea, yea!!! This Sunday, while having service on campus, the Youth Ministry decided to still go ahead and have their fund raiser for their summer Christian camps. This means...hot dogs, hot dogs, hot dogs. Please stop by and purchase a scrumptious hot dog that is sure to energize your fellowship. On behalf of the Youth Ministry, thank you for your support. To God be the glory!

## Men's Devotional Friday, April 16, 2010

The men of the CDCC will be having a very powerful and uplifting devotional entitled "Convictions That Transform". This will be a devotional for both members of the congregation and any other men that they can bring out to this spiritually transforming event. We will have some great ice breakers at the beginning of the devotional, some light refreshments, and then a program that will include video clips as well as three men teaching and preaching about how convictions can impact the individual, the church overall, and the world around us. Let's all be praying for God to move in the hearts of the men and that they can truly be transformed by deepening, strengthening, and acting upon their convictions. Men and women alike please be inviting any members of the male species you come into contact with. Thank you. Thank you. Thank you.

## Great Adventure Trip Saturday, April 17, 2010

Bryon Smith has been coordinating a church outing to Great Adventure that is on our yearly calendar. We recognize that this is an all-day affair and does have a financial dynamic to it, but it is the best time of year to go and there are some great savings if we are able to get 15 participants or more. Byron has asked that you please let him know by tomorrow, Friday, April 9. Currently, we have 6 people committed so let's be praying for at least 9 more. Thank you. Thank you. Thank you.

## **Javits Service NYC Sunday, April 18, 2010**

On our yearly calendar we posted the fact that there is a Javits Service in New York City on the above-mentioned date. We put this service on the calendar so that anybody who was interested in going down could do so. This service was never intended to replace our local service. Therefore, we will be meeting at the church building for our regularly scheduled service. However, Scott McNair would like you to let him know if you are planning on traveling down to this amazing service. Remember, it is always very encouraging and uplifting to worship alongside our brothers and sisters from different congregations. Details will be given to those who contact Scott.

## **Special Contribution Update**

It was very encouraging to have met our goal of \$8,000 by the end of March. On Sunday, March 28, the church needed to collect \$3,386 to get to the \$8,000 mark. We actually collected \$4,300 and therefore surpassed our goal by just about \$1,000. To God be the glory! Let's all be praying for our next goal which is to be at \$16,000 by the end of June. We all know that with God all things are possible.

## **CDCC Women's Day May 1, 2010**

It is amazing to think that we are less than a month away from this spiritually impacting women's event. This Women's Day will be different than the ones we've had in previous years because instead of meeting in the evening, the women will be meeting in the morning for a breakfast. Nevertheless, this women's gathering will be just as spiritually powerful as any of those that took place in the evening. In fact, the hope is that we can capitalize on the freshness and energy that many women have earlier in the day.

The momentum is growing and the details are beginning to come together. We all need to be working faithfully and diligently at getting friends, family, and strangers out to this amazing event. Mary McNair is currently up to 10 commitments and has a goal to see 10 women at the event. Hopefully, we can all be encouraged by this and lay our own request before God. The event will be held at the church building beginning at 10:30 am.

**NOTE: The amazing and visually impacting Women's Day invitations are in our hands. Let's be sure to be utilizing them in a faithful and effective manner for God and the Women's Ministry here in the CDCC. Remember, let's be praying for each person to have multiple visitors with them. To God be the glory!**

## **Syracuse Regional Church Inaugural Service May 16, 2010**

The Syracuse Regional Church that numbers about 20 disciples hired a full-time ministry couple at the beginning of this year. This congregation has been tied in with the family of churches known as the International Churches of Christ. Roger and Sue Wine, the leaders of the congregation, have asked our church to come and be part of this celebratory inaugural service. Therefore, there will be no local service on that date and the leadership of our congregation is asking that we all travel up to Syracuse to encourage our brothers and sisters for this worship service. Service will begin at 11:00 am and the travel time should be approximately 2 1/2 hours. The goal is that each and every member of our congregation can be there. More details to follow.
