**Proverbs 16:31-33 — <sup>31</sup> Gray hair is a crown of splendor; it is attained by a righteous life. <sup>32</sup> Better a patient man than a warrior, a man who controls his temper than one who takes a city. <sup>33</sup> The lot is cast into the lap, but its every decision is from the LORD.**

## Sunday Service August 22, 2010

News Flash! News Flash!! News Flash!!! This upcoming Sunday our service will start at 11:00 am. We serve an awesome God and it is very encouraging that He made it possible for us to have an earlier worship service. Let's come prepared to give our whole being to God during our worship service. Last Sunday Scott preached a sermon that highlighted our need to be faithful regardless of life's circumstances. It truly is the challenging times that cause us to become more like Jesus. The sermon for this upcoming Sunday will surround the same theme. Let us all pray for this service and continue to reach out to friends and family. Be sure to remember while inviting people that our service is starting at 11:00 am. To God be the glory!

**NOTE:** Parents of pre-teens/young teens will be leaving directly following church service to bring their children to camp.

## Sunday Service August 29, 2010

With the return of the pre-teens/young teens from camp we are hoping to have some of them share their camp experience. This is always very encouraging and insightful. It brings God great joy when we come to worship service with an open heart and a willingness to learn. Our worship services are always about giving praise and glory to our awesome God, but it is also an opportunity to understand more deeply the will of our Father in heaven. As always, let's be doing our best to bring people out to our life-impacting service. We will be meeting at the church building starting at 11:00 am.

## Sunday Service September 5, 2010

This Sunday's worship service will include a special prayer by some of the Dads who have children headed back to school this coming week. We will also be having some amazing singing, uplifting preaching, and heartfelt sharing. Everyone in the congregation is important to God and therefore, helps our worship service please Him. Let's come prepared to serve God and one another in any way possible. We hope that there are many friends and family joining us for this service. We will be meeting at the church building beginning at 11:00 am.

Continue to pray for Reece Smith as he recovers from surgery.

Pray for all the teens and preteens who will be traveling to their camps in the month of August. Ask God to give them safe passage and that they truly grow closer to Him and grow in their desire to build their relationship with Him.

Pray for the many members of the congregation that will be traveling on vacation throughout the month of August. Ask God to keep them safe and spiritually healthy throughout their vacations.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

**Prayers Answered**

God answered the prayers of the congregation on behalf of Reece Smith's surgery. Everything went well and Reece is doing great.

**Service Start Time Change**

Hopefully, by this time everyone is aware that we will start meeting at 11:00 am. This means that the teachers, song leaders, sound crew, etc. will need to be at the church building at 10:30 am. This truly is a blessing from God because it enables us to hold our worship service at a time that is more conducive to the ebb and flow of our society. Obviously, God helps us bring friends and family to service regardless of the start time, but this may just give us a bit more of an advantage when it comes to people's schedules.

We realize that there may be an adjustment period for some people, but we are faithful that things will work out just fine. Let's all be praying that by the start of October any conflicts can be worked out. To God be the glory!

**Glen Eddy Visit**

This upcoming Saturday, August 21, the congregation will once again be visiting the Glen Eddy Nursing Home. Over this past year we really brought a lot of joy and encouragement to the residents that we have interacted with during our visits. This upcoming Saturday will be no different so please come prepared to give your hearts to the residents. Rachel Rogers, our event coordinator, hopes to see many people from the congregation attending. Please arrive by 10:30 am.

**Children's Ministry Teachers Needed**

Mary McNair would like to thank the members who have already volunteered for this upcoming rotation. We still need two more volunteers in order to have a full slate of classes. We all know what a great opportunity this is to influence the hearts and minds of the children on behalf of our loving God. Thank you for considering this vital role.

**September Calendar Events**

Scott would like to ask anyone who signed up to coordinate one of the events in September to make sure they are planning well in advance. It is very helpful to the members of the congregation when they get information and details ahead of time. It is also the righteous and responsible thing to do. To those who have volunteered to be the event coordinators, we thank you.
