## Burning Hearts House Church Sunday July 4, 2010

This upcoming Sunday our nation will be celebrating the independence it achieved in 1776. The Capital District Church of Christ will be celebrating the independence it received when each member made Jesus Lord of their life and was baptized. As disciples of Christ we must always strive to remain grateful for the spiritual independence we have in Christ Jesus. Our focus for this upcoming Sunday's worship service will surround the idea of being grateful and having our hearts burn with a passion for God. Tim Deck will open things up and welcome everybody at 11:00 am and then Scott McNair will do an extended communion service. The length of service will be approximately an hour and the fun and festivities of the barbeque will begin around 12:00 pm. It is very important that we all get back to the Decks no later than Friday with food we will be bringing. Remember, not only are we bringing the items requested in the email, but also each person needs to bring their own meat and buns. If you have any questions, please feel free to contact Tim or Lisa.

Let's all be sure to come prepared to worship God with all of our hearts, minds, souls, and strengths. Our hope and prayer is that we see many new souls worshipping alongside of us and that we have the heart to reach out and inspire these people to deepen their relationship with God. To Him be the glory!

**NOTE: FYI...There is a carnival taking place 1/2 mile from the Deck home so if any families would like to go and enjoy the festivities the Decks can give you all the information.**

## Sunday Service July 11, 2010

Originally, this was supposed to be our Joint Service with the Pioneer Valley and Hartford Churches of Christ. As has been announced, this service was cancelled due to the fact that all the New England churches had to reschedule their church Olympic service to this date. Therefore, we will be meeting at the church building at 1:00 pm. This service will surely honor God and help each one of us recognize how amazing our relationship with Him truly is. As always, let's do our best to get people out to worship service and to come to service with a humble and open heart. To God be the glory!

Pray for our upcoming service on Sunday, July 4. This will be our first outdoor service of the year and it seems that God has blessed us with some new souls.

Pray for Mark McCune and his family. Pray for his mother and father who are in bad health. Pray also for his wife and children who have remained in Seattle while Mark is here over the next several months.

Pray for the Ju family and the recent birth of their daughter. Pray for Tamirah that the growth on her eye is nothing serious and she can be at peace about it. Pray for Jeff and his job application for a supervisory position. Pray that God's will be done.

Pray for Sabrina's class that at least 10 students sign up to take it.

Pray that we collect the remainder of our special contribution goal by the end of July.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

**Prayers Answered**

The Deck family has been praying to have area residents attend a spiritual meeting at their home. God has blessed that as some neighbors will be visiting our Sunday service.

**Sunday Service  
July 18, 2010**

Summer will be in full swing and our worship service will be as well. No matter the heat, the humidity, or the hoopla we will be focused on honoring and praising our great God!!! We know that in Ephesians 6 the Bible says that our faith is a shield to protect us against Satan. But our faith can also be a powerful tool in carrying out the will of God in our lives. This service will highlight many of the amazing ways that our faith, given to us by God, can be used to live righteous and victorious lives. Let's continue to reach out to those around us in faith and get them out to our worship services. This service will be held at the church building beginning at 1:00 pm.

**Church Kayak Outing  
Saturday, July 31, 2010**

We hope to see more kayakers at our second annual church kayak outing. John Becker, the event coordinator, is currently looking at various locations for our outing. If anyone has any ideas or suggestions, please contact John ASAP. We are looking into the possibility of having some of our brothers and sisters from the Syracuse church come and join us for the day. As always, whenever we have fun trips such as this it gives us a great opportunity to invite our friends and family. Details will follow.

**Special Contribution Update**

We finished up the month of June with a special contribution figure of \$13,366. As we know, we were shooting to have \$16,000 collected by the end of June. We are only \$2,634 shy of that mark so let's be praying that we can collect this amount before the end of July. Thank you for all your sacrifice. It truly does glorify God.

**Welcome! Welcome!! Welcome!!!**

Our dear brother, Mark McCune, who is a faithful evangelist in the Seattle Church of Christ, will be joining our congregation for the next three months or so. Mark is here caring for both his mother and his father as they are in bad health. Let's all make every effort to love up on Mark and help him in any way he may need.

**Wanted: Audio Technician**

We are looking for a volunteer to record the sermons during Sunday service and then download them to the website. The church does have a recording device so no tools needed. If this interests you, please see Tim Deck. Thank you. Thank you. Thank you.
