Proverbs 16:23-25 — ²³ A wise man's heart guides his mouth, and his lips promote instruction. ²⁴ Pleasant words are a honeycomb, sweet to the soul and healing to the bones. ²⁵ There is a way that seems right to a man, but in the end it leads to death.

Sunday Service August 1, 2010

We hope everyone is encouraged and visionary for our services in the month of August. A lot of traveling and vacations typically take place during this month and sometimes that impacts our services. Let's all make it our goal to make our worship services filled with praise, joy, and peace. This upcoming Sunday service Scott will be preaching a message that will inspire, convict, and lift up our heartened souls. He asks that all of us prepare ourselves with some prayer and Bible study before coming to service. This way we will be "ripe" to be lead by the Holy Spirit and have an encounter with our amazing God. Here is a spiritual challenge for all of us....allow the month of August to be one in which you bring many, many visitors out to service. Being that this is a spiritual challenge, please be sure to pray about it and then devote your heart to it with a clear conscience and faithful heart. Service will begin at 1:00 pm and it will be held at the church building.

House Church Sunday Service August 8, 2010

Our house church services always afford the opportunity for us to bring out our friends, family, neighbors, and community members. There are many people that surround us who for various reasons do not "jump" at the opportunity to go out to a Sunday worship service at a church building. Yet, some of these people are very open to coming to someone's home for an extended communion type service and then some relaxed fellowship, food, and fun. Jesus was a "fisher of men" who cast his net in all directions and in various ways. Let's have that same heart and commitment and do our best to not only come to house church prepared to worship God and serve in any way needed, but also to do our best during the week in inviting people out. The details of where, when, how, who, etc. will be forthcoming. To God be the glory!

Sunday Service August 15, 2010

This service falls right in the middle of an amazing month of worship in the Capital District Church of Christ. Already this month we will have had services at the church building as well as in the homes of the members of the congregation. As we come back together this Sunday to all worship our awesome God together, let us embrace one another with great love and open up our hearts and minds to the Lord's will. As Scott returns home from vacation, he will surely be prepared to encourage our souls and impact our faith. Let's all be sure to take the opportunity throughout the week to invite many souls out to this life-changing worship service. To God be the glory! Service will be held at the church building starting at 1:00 pm.

Pray for all the teens and preteens who will be traveling to their camps in the month of August. Ask God to give them safe passage and that they truly grow closer to Him and grow in their desire to build their relationship with Him.

Pray for the many members of the congregation that will be traveling on vacation throughout the month of August. Ask God to keep them safe and spiritually healthy throughout their vacations.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

Prayers Answered

God answered the prayers of the congregation in regards to meeting our second special contribution goal.

God answered the prayers on behalf of Meagan, SJ, Caleb, and Marsha as they returned home safely from Swamp Camp.

To Him be the glory!!

**Church Kayak Outing
Saturday, July 31, 2010**

This upcoming Saturday some of the members of the congregation are embarking on our long anticipated second annual kayak outing. The weather is supposed to be absolutely gorgeous and the water temperature nice and warm. There is still time for anyone who is thinking about going to give John a call and let him know that you would like to participate in this most enjoyable expedition. It is events such as this that offer us the opportunity to bond with one another and have lots of fun and fellowship together. We will all be meeting at Kayak Shack located at Fish Creek Marina just east of Saratoga at 9:30 am sharp. It is important to arrive on time because rentals are on a first-come first-serve basis. Remember that the cost is \$30 for a two-person kayak and \$20 for a one-person kayak for a half day. Although there are not enough two-person kayaks to go around, there are two-person canoes for the same price. You can get directions from their web link at www.fishcreekmarina.com. Let's be sure to give our event coordinator, John Becker, a big thank you for all his hard work.

Special Contribution Update

As of last week we needed to collect \$584 by the end of July in order to reach our second milestone of \$16,000. We know that God is a God of miracles and by His blessing we collected \$1,895. To God be the glory!

Yearly Calendar—Month of August

Due to the number of men, women, and families that will be vacationing and traveling in the month of August, our events on the yearly calendar should be disregarded. Please do not allow yourselves to be disappointed in any way. It is just that when we planned the various events for August back in January very few knew their traveling plans. Nevertheless, we will make this month an amazing time to grow closer to God, to one another, and to “shine like stars in the universe” on God's behalf. We will let the congregation know of any special events that will take place in the month of August via the family group leaders and our Thursday and Sunday announcements. Thank you. Thank you. Thank you.

Looking for Children's Ministry Teachers

Our new rotation in our Children's and Youth Ministries start a month from now. Therefore, Mary McNair is looking for some loving and serving volunteers. As always, this will be a three-month rotation and we hope to have enough teachers so that we could have classes for each appropriate age group. Thank you for considering this request.
