Proverbs 16:16-18 — ¹⁶ How much better to get wisdom than gold, to choose understanding rather than silver! ¹⁷ The highway of the upright avoids evil; he who guards his way guards his life. ¹⁸ Pride goes before destruction, a haughty spirit before a fall.

Sunday Service July 11, 2010

We will once again return to our home at the church building after a one-week hiatus due to our outdoor service at the Deck home for the 4th of July. Regardless, of where we hold service there are a few things that should always be present. God expects us to show up with hearts that are humble and willing to offer praise and glory to Him. We are able to do this through our singing, prayers, fellowship, and a heart that is attentive and engaged. Let's all be praying not only for all the details of service and those who will speak during service, but let's also pray that we will have many visitors worship along side of us. Service will begin at 1:00 pm.

Sunday Service July 18, 2010

Summer will be in full swing and our worship service will be as well. No matter the heat, the humidity, or the hoopla we will be focused on honoring and praising our great God!!! We know that in Ephesians 6 the Bible says that our faith is a shield to protect us against Satan. But our faith can also be a powerful tool in carrying out the will of God in our lives. This service will highlight many of the amazing ways that our faith, given to us by God, can be used to live righteous and victorious lives. Scott McNair will not be able to preach for this service as he will be recovering from a surgery he needs to have. Therefore, please pray for God to move powerfully and to bless the message of the brothers who will be preaching. Let's continue to reach out to those around us in faith and get them out to our worship services. This service will be held at the church building beginning at 1:00 pm.

Sunday Service July 25, 2010

Let's finish out the month of July with a very heartfelt, spirit-filled, and passionate worship service. We can never underestimate the power of God's Holy Spirit to guide and lead us as we lift up our prayers, songs of praise and hear the Word of God taught and preached in powerful ways. Here's a question for you...Do you come out to Sunday service hoping and expecting not only to come into contact with God, but to somehow be transformed by God? We hope that everyone takes the opportunity to prepare their hearts and minds spiritually before coming out to corporate worship. By the grace of God, Scott will be recovered enough to preach the Word with great passion and conviction. Service will be held at the church building beginning at 1:00 pm.

Pray for Mark McCune and his family as his Mom has recently passed away. Pray for them to be comforted by God and that Mark can truly be a source of strength and light to his family at a very challenging time.

Pray for the Ju family as they have returned home with their new daughter Maia. Pray also for Jeff's supervisory position opportunity.

Pray for Scott McNair's surgery a week from today.

Pray for Velvet and her children as they recover from a recent divorce. Pray that they will find healing and joy.

Pray that we collect the remainder of our special contribution goal by the end of July.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

Prayers Answered

The Decks and probably many others prayed to have good weather for our 4th for July outdoor service. Obviously, God gave a complete stamp of approval to this prayer.

**Church Kayak Outing
Saturday, July 31, 2010**

We are just about three weeks away from our second annual church kayak outing. This will be a great time of fun, fellowship, and even some physical exercise. Contrary to what some people may think, kayaking is not a dangerous and treacherous sport. In fact, it happens to be both safe and relaxing. We can assure you that the location chosen for this trip will be one that has no rapids or waves whatsoever. With this being said, we hope that many of the church members will attend and they will bring with them both their friends and family. Jon Becker, the event coordinator, would like you to continue to let him know if you are going to attend, and he will be getting out the details as they come in. Thank you. Thank you. Thank you.

Burning Hearts Service

This past Sunday God blessed us with an amazing outdoor service at the Deck residence. A heartfelt thank you goes out to Tim and Lisa Deck for not only opening their home for this service, but for all the many hours of preparation that goes into preparing for a service such as this. They both were very gracious and giving before, during and after the worship service itself. We hope that it gave a vision to everybody for how awesome our outdoor services can be in the future. To God be the glory!

Special Contribution

As we are all aware, we have currently collected \$13,366 in special contribution. Our goal was to hit the \$16,000 by the end of June and we are now shooting to hit this mark by the end of July. We are currently \$2,634 short so let's be praying that we can collect at least this much over the final three weeks of July. To God be the glory!

Wanted: Audio Technician

We are looking for a volunteer to record the sermons during Sunday service and then download them to the website. The church does have a recording device so no tools needed. If this interests you, please see Tim Deck. Thank you. Thank you. Thank you.
