**Proverbs 15:31-33 — <sup>31</sup> He who listens to a life-giving rebuke will be at home among the wise. <sup>32</sup> He who ignores discipline despises himself, but whoever heeds correction gains understanding. <sup>33</sup> The fear of the LORD teaches a man wisdom, and humility comes before honor.**

## Sunday Service June 13, 2010

As we move along with our worship services in the month of June, let's be sure to be growing and maturing in our faith. This past Sunday Scott preached a message entitled "What It Means To Trust" and mentioned a link between faith and trust. For this upcoming Sunday the sermon will once again be focused on faith, but Scott will also pull in the importance of trust and how that plays an important role in our faith. As always, be sure that throughout the week you are faithfully inviting people out to worship service and come Sunday be sure to spend some time alone with God before you come out to worship with the brothers and sisters. Service will begin at 1:00 pm at the church building.

## Father's Day Service June 20, 2010

This service always affords us a great opportunity to show our appreciation and love to the greatest Father of all which is, of course, our Father in heaven. God truly does encompass all the best qualities that a father could possess and He uses those qualities to guide and take care of each and every one of our lives. This service also gives us a chance to recognize and thank all the Dads that are part of our congregation and any other Dads that we bring to service with us. Let's take advantage of this holiday in order to bring to service as many Dads as possible. Right now the plan is to have a potluck dinner following service in which everyone in the church brings a dish to share with everyone. We will also have a microphone set up so that different people can share a thing or two about why they feel their Dad is so special. We also hope to find a fun video that we can share with everyone while we sit and eat together. If you have any feedback or input, please let our Father's Day Coordinator, Mary McNair, know. Thank you. Thank you. Thank you.

## Sunday Service June 27, 2010

What do you say....let's close out the month of June by having a worship service that truly catches the attention of God. To do this we need only to show up with hearts that are willing to give, serve, and learn as we come together to honor God. We will lift up faithful prayers, sing with gratitude in our hearts, and listen with great humility to the different ways that God will communicate to us. The teachers will come ready to encourage and instruct the children and the children will come prepared to grow in their knowledge about God. And as the Bible says, over all these virtues let us love God and one another deeply from the heart. Service will be held at the church building beginning at 1:00 pm.

Let's all be praying for our sister, Julia, whose father just passed away this week. Pray that Julia finds comfort in God and that she could be a great help to her family at this very sad and hurting time.

Please pray for Catheline, a dear friend of our sister Terry Foy. Catheline has been battling cancer since 1996 and has recently had further complications.

Let's continue to lift up prayers on behalf of our sister, Sylvia Bitel. Calls of encouragement and support would greatly be appreciated.

As we approach our next special contribution goal, which is to have \$16,000 collected by the end of June, let's all be praying to reach this goal.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

**Prayers Answered**

Scott McNair asked a number of people to pray for the visit of his father this past Sunday. The visit went great and his father got the opportunity to be impacted by the church service and their personal time together. To Him be the glory!

**Women's Retreat  
June 12, 2010**

Women's Retreat Coordinator, Fay Fraser, collected the requests from the women and here's what was decided: it will be a one-day retreat up in Saratoga that will include spa treatments and a picnic. The exact times and locations will be communicated by Fay within the next 48 hours. Let's all have a great time fellowshiping together and being pampered. Yeah! Yeah! Yeah!

**Youth and Family Ministry**

This past Sunday we started our new summer rotation and it was an encouraging success. The teachers did a great job leading their classes and the children left happy and inspired. Let's all continue to pray for this very important ministry and for the hearts and minds of both the teachers and the children. If you are a teacher, be sure to always come to service with your lessons prepared and your heart ready to serve. Thank you for all you do. It is greatly, greatly appreciated.

**Church Paintball Outing  
June 19, 2010**

Byron Smith, our event coordinator, communicates the following:

Here's the information for paintball. The place that I'm looking at only takes reservations for groups of 10 or more. So we'll need at least 10 people to make this event happen.

- Price and what it includes:
- \$35 per person
- Field Admission
- Equipment Rental (gun, mask, tank, loader)
- 200 paintballs per person
- All day air
- Get to play for 3 hours with just our group and a personal referee
- Minimum age is 12

We'll figure out a time once we get all the commitments. If possible, please try to get back to me within the next 48 hours. This will give me a chance to reserve our scheduled day (the 19th) as soon as possible.
