**Proverbs 16:5-7 — <sup>5</sup> The LORD detests all the proud of heart. Be sure of this: They will not go unpunished. <sup>6</sup> Through love and faithfulness sin is atoned for; through the fear of the LORD a man avoids evil. <sup>7</sup> When a man's ways are pleasing to the LORD, he makes even his enemies live at peace with him.**

## Sunday Service June 27, 2010

As we come together to worship on the final Sunday of June, let's all be filled with joy and encouragement at the privilege it is to be some of God's chosen people. Sometimes coming out to Sunday service is something we have done so often that it kind of becomes part of our weekly schedule. Yet, the truth of the matter is according to God this is the most important and wonderful time we come together as a church family. It affords us the opportunity to first and foremost remember Jesus and recognize His sacrifice on the cross, and secondly, we get to sing together, pray together, learn from God's Word together, fellowship together, etc. Let's all come to this last service in June with this in mind. Service will be held at the church building beginning at 1:00 pm.

## Burning Hearts House Church Sunday July 4, 2010

The July 4th holiday is one in which we celebrate our independence as a country which we attained over 200 years ago. More importantly for us as Christians, we come together on Sunday, July 4th, to celebrate the independence we have received from the darkness and sin that used to be a part of our lives. This "Independence Day" can be traced back some 2000 years ago when Jesus died on the cross and ultimately was raised to life. Tim and Lisa Deck have opened their home so that we could have an outdoor service along with a barbeque and many other fun events. Service will begin at 11:00 am and our barbeque will begin at 12:00 pm and end by 2:00 pm. More details will be forthcoming in regards to food, drinks, paper products, etc. This would be a great service to bring friends and family to so they can see just how much we love worshipping God together and having fun together. To God be the glory!

**NOTE: FYI...There is a carnival taking place 1/2 mile from the Deck home so if any families would like to go and enjoy the festivities the Decks can give you all the information.**

## Sunday Service July 11, 2010

Originally, this was supposed to be our Joint Service with the Pioneer Valley and Hartford Churches of Christ. As has been announced, this service was cancelled due to the fact that all the New England churches had to reschedule their church Olympic service to this date. Therefore, we will be meeting at the church building at 1:00 pm. This service will surely honor God and help each one of us recognize how amazing our relationship with Him truly is. As always, let's do our best to get people out to worship service and to come to service with a humble and open heart. To God be the glory!

## Prayer Requests

Pray for Sabrina's class that at least 10 students sign up to take it.

Please pray for all the families with children in our congregation. School ended this week and their summer vacations have started.

Let's be praying for those souls who are currently studying the Bible with members from our congregation.

Let's be praying that as members of God's family we remember that first and foremost we must lift our burdens up to God and focus on our personal righteousness.

As we approach our next special contribution goal, which is to have \$16,000 collected by the end of June, let's all be praying to reach this goal.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted

## Prayers Answered

Last week we were praying for John Thomas' Dad who recently had both knees operated on. John visited him for Father's Day and said that he was doing great following surgery. To Him be the glory!

## Father's Day Service

This past Sunday we had a very uplifting and special Father's Day Service. The motion picture music video depicting the prodigal son from Luke 15 really helped to give us a visual on the amazing forgiveness, compassion, and grace of our Father in heaven. We hope everyone left service feeling more grateful for our perfect father and ultimate parent.

## Church Paintball Outing

Everyone had a lot of fun and made memories that will last for a real long time...not to mention some welts that will last a long time (ha ha ha). Seriously though, it was a great outing that included friends from the congregation and friends outside the congregation. A thank you to Byron Smith, our event coordinator, for all his hard work and perseverance.

## Valley Cats Outing

A thank you goes out to Mary McNair, our event coordinator, for her hard work at gathering the information and keeping it before the congregation.
