Proverbs 15:28-30 — The heart of the righteous weighs its answers, but the mouth of the wicked gushes evil. The Lord is far from the wicked but he hears the prayer of the righteous. A cheerful look brings joy to the heart, and good news gives health to the bones.

Sunday Service June 6, 2010

Let's all be praying diligently that our first service in the month of June is one in which we give our entire hearts to God and all of our talents to worshipping Him. As we know, we have not been able to get many friends and family out to worship alongside of us during our Sunday services. Scott would like to ask everyone to please be talking with God and others in the church about where our faith and actions are when it comes to seeking and saving the lost. It is very important that we help one another to truly have a soft and humble heart before the Lord. There's no doubt that we all want to carry out the mission of Christ and this is just a great practical that will help us to do so. God is a faithful God and He will bring the increase. Remember, service begins at 1:00 pm and will be held at the church building.

Sunday Service June 13, 2010

We will continue our worship services in the month of June at our regularly scheduled time and location. Let's continue to utilize our Sunday worship services in such a way that we get to grow closer to God, closer to one another, and where we can introduce many friends and family to our amazing church. Let's all be willing to give of ourselves completely during our worship services together. To God be the glory!

Father's Day Service June 20, 2010

This service always affords us a great opportunity to show our appreciation and love to the greatest Father of all which is, of course, our Father in heaven. God truly does encompass all the best qualities that a father could possess and He uses those qualities to guide and take care of each and every one of our lives. This service also gives us a chance to recognize and thank all the Dads that are part of our congregation and any other Dads that we bring to service with us. Let's take advantage of this holiday in order to bring to service as many Dads as possible. Mary McNair, our Father's Day Service Coordinator, would like to share the following idea with everyone...everyone in the church brings one dish to share during an after-service potluck dinner. Mary will make all the drinks and have all the paper products as well. We can show a fun video and have an open mic sharing for kids and/or adults who would like to share one thing they love and appreciate about their father. If you have any feedback or input, please let Scott or Mary know. Thank you. Thank you. Thank you.

Let's continue to lift up our prayers as our sister, Sylvia Bitel, goes through the painful stages of mourning the loss of her husband. She really needs our prayers and our support at this time in her life.

As we approach our next special contribution goal, which is to have \$16,000 collected by the end of June, let's all be praying to reach this goal.

Let's be praying for Rosie, a woman who has been moving along in her Bible studies.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

Prayers Answered

Thank you, God.

**Women's Retreat
June 11-12, 2010**

The women of the CDCC are currently in the midst of taking a vote on which option to pursue for their Women's Retreat. Both options are sure to be a great success as long as all the women are encouraged to participate in the retreat itself. It is the unity, the commitment, and the heart of the women that truly make a retreat something special. Women, please make sure to make every effort not only to be at the retreat, but also be willing to take the time and love up on somebody during the retreat itself. To God be the glory!

Youth and Family Ministry Teachers Needed

Mary McNair along with all the parents would like to thank all those teachers who volunteered for the summer rotation. As it stands now, we will be combining two classes in order to be sure that the needs of the children are being met. Since the summer curriculum is more "relaxed and fun-filled" this shouldn't pose any negative impact on the children or the teachers. We hope come the fall we will be able to once again add back that class. The summer church services are always a great opportunity for the children to grow in their joy and their relationship with God. Once again, thank you to all the volunteers who make this ministry possible.

**Church Paintball Outing
June 19, 2010**

Byron Smith, our event coordinator, will be letting the congregation know what will be taking place in regards to this event. There really isn't much preparation that we have to go through in order to do paintball. It would just be a matter of making sure our schedule is clear and we know where to go to and when. Information will surely be communicated in the near future.

**Valley Cat Outing
July 6, 2010**

As our yearly church calendar reflects, we have the opportunity to go to a Valley Cats Baseball Game in July together. Mary McNair is the coordinator for this event and would like to make this fun for both the adults and the kids. Please read the following info and let her know by email or phone how many tickets and vouchers you will need!

Valley Cats Game vs. Batavia Muck Dogs - Tuesday, July 6th, 7:00 pm (gates open at 5 pm for local band playing)
Ticket Cost: \$8 for adults and kids over 3 years
Vouchers: for hot dog, chips and soda = \$4.50

*The Valley Cats are the farm team for the Houston Astros and the Muck Dogs are the farm team for the St. Louis Cardinals.

*Invite your friends, neighbors, and family to this fun, family event. We can all sit together and have a great time.

Men's Forum Date Change

Tim Deck, our Men's Forum Coordinator, is working on making the forum a great success. In so doing, he has decided that it would be best to change the date from Saturday, June 5, to Saturday, June 26. Please make note of this change and contact Tim as to whether or not you will be able to make it. Thank you. Thank you. Thank you.
