*Proverbs 15:17-19 — <sup>17</sup> Better a meal of vegetables where there is love than a fattened calf with hatred. <sup>18</sup> A hot-tempered man stirs up dissension, but a patient man calms a quarrel. <sup>19</sup> The way of the sluggard is blocked with thorns, but the path of the upright is a highway.*

## Mother's Day Sunday Service May 9, 2010

It is very encouraging to know that this upcoming Sunday not only will we be worshipping our amazing God, but we will also have the opportunity to show our love and gratitude to all the mothers who will be at service. Each year on this special day we try to encourage the Moms because of their god-given role and how much the Bible highlights their incredible propensity to nurture, serve the family, and put others' needs before their own. Here's a quick look at how service will unfold. After the opening singing and welcome, we will see a five-minute video, followed by communion, and then another video. After the fellowship break and Scott's sermonette, we will have a special song for the Moms and some gifts to be handed out by the children's ministry. Let's all do our very best in bringing not only Moms to this service, but any and all souls we can find. Our worship services are truly filled with great inspiration, and we never should underestimate the power of God and how He can work in the hearts of all who are present. Service will begin at 1:00 pm and the goal is to finish before 3:00 pm. Please be praying for all the dynamics of the service.

## Syracuse Regional Inaugural Worship Service May 16, 2010

Earlier this week Scott had the opportunity to go on a retreat with Roger Wine, the evangelist of the Syracuse Regional Church. During that time Roger communicated just how excited he is about this inaugural service and how encouraged he is that our congregation will be coming. During tonight's midweek service we will be taking some time out to meet with our family groups and discuss transportation arrangements. Remember, there will be no local service for this Sunday and the leadership of our congregation is asking that we all travel up to Syracuse and we make every effort to take the trip. Service will begin at 11:00 am and the travel time should be approximately 2.5–3 hours. Let's all be praying that God opens up a door so that each and every member of our congregation can be there. To God be the glory!

**NOTE:** We will not be having any type of local church service so please be sure to make every effort to head to Syracuse for this very encouraging worship service. You may also want to consider some carpooling as this will cut down some of the cost of gas and afford great fellowship.

**NOTE 2:** Please let your family group leader know ASAP whether or not you are planning on going. The Syracuse Church is planning on serving food and needs to know how many adults and children to expect.

## Prayer Requests

Pray for all the mothers and mother figures that God will grant them wisdom, comfort, and peace.

Pray for our Glen Eddy outing and that we are used by God in an amazing way.

Pray for the evangelism of the church to reflect the heart of Jesus and His love as well.

Pray for all those studying the Bible and for many more to accept the invitation to study the Bible.

Continue to keep in your prayers all those families that were impacted and continue to be impacted by the Haitian earthquake.

## Prayers Answered

The congregation has been praying that God bless all the details of the Women's Day, that it would be very spiritually impacting, and that we could see an attendance of 65 or more. God blessed all of these prayers and much more. To Him be the glory!!

## Sunday Service May 23, 2010

We will be back at the church building for this worship service and we hope to not only bring glory and praise to the Lord our God, but we also hope that we have many friends and family worshipping alongside of us. After Mother's Day service and the Syracuse service, Scott is hoping to once again preach a sermon that touches on some dynamic of "faith". Hopefully, as we have focused our Sunday sermons on this topic, we have all noticed and been more aware of just where our personal faith stands. Let's all continue to ask God that our faith can mature, grow, and be put into practice more and more in our everyday lives. Service will begin at 1:00 pm.

## Preteen and Young Teen Bake Sale Cancelled Sunday, May 9, 2010

Due to this upcoming Sunday being Mother's Day, we have decided to cancel our bake sale. We want the Moms to be able to head on home after service as soon as fellowship is over to spend time with their loved ones. Thank you. Thank you. Thank you.

## CDCC Women's Day

This past Saturday truly blessed the Women's Ministry!!! If you haven't heard by now, the food, entertainment, sharing, and fellowship were incredibly inspirational, challenging, and uplifting. It is amazing that our goal was to have 65 or more women out to this event and God so chose for us to have exactly 65 women attend. To Him be the glory and praise! There are so many women to thank and so as not to forget anyone...we give a shout out "thank you" to all the women who worked hard to make this event a spiritual success.

## Congregational Visit to the Glen Eddy Nursing Home

This upcoming Saturday the congregation is headed to the Glen Eddy Nursing home for the sole purpose of serving the residents with much encouragement and joy. Remember, being that this is one day before Mother's Day we hope that the members of the congregation will think of some innovative ways to include this holiday in their entertainment, craft, conversations, etc. A thank you goes out to Rachel Rogers for her heart and time in organizing this activity that truly expresses Jesus' heart. Please arrive at 10:00 am sharp so that we can get things started right on time. Thank you. Thank you. Thank you.

## **Women's All Night Prayer May 14, 2010**

The women of the CDCC will be having their first prayer night of the year. Our sister, Lynda, is working on the details of this very empowering evening. As of now we will be holding the prayer night at the church building, and if there are any complications with meeting there, we will let everyone know and the back-up location will be Lynda's home. The evening will begin at 8:30 pm and go to ??? The hope is that all the women of the congregation will be able to join this life-changing prayer evening.

## **Men's Retreat May 21-22, 2010**

Our event coordinator, Byron Smith, is currently looking into some opportunities for our Men's Retreat. More information to follow.

## **Youth and Family Ministry Teachers Needed**

Summer is approaching, and with it the opportunity to shape and mold our children's hearts. We will begin our more "relaxed and fun-filled" Summer Curriculum starting on Sunday, June 6, and ending August 29. A tremendous thanks to all our wonderful teachers from this past rotation. You have left a long-lasting impact on our kids. We are shaping our Youth and Family Ministry one step at a time.

Please see Mary McNair if you can teach the Preteens, School Age, or "Little Ones"! Many thanks!
