

CDCC Sunday Announcements

- 1) House Church Sunday, August 8th:** Our Worship service next Sunday will be held in various members homes. Our House Church Sunday's always allows us to have some great fellowship with God and one another. It is an opportunity to connect with God in a smaller group which, can add to the intimacy we experience with God. It allows us to spend more time in fellowship with our fellow church members and any friends or family we bring along with us. It also gives us the chance to have some great food and fellowship while enjoying the hospitality that comes along with this type of service. The Family Group leaders will be contacting everyone in the next couple of days.
- 2) Thursday, August 5th:** Being that this is the first mid week of the month, the format will include the entire congregation. We only do this once a month so, we hope everyone can be there. It will be an inspirational time of singing, sharing, teaching and learning. This also offer an opportunity for the youth of our church family to spend time together. Let's be praying that our service encourages God and strengthens His people.
- 3) Children's Ministry Teachers:** We are looking for volunteers to teach in the Children and Youth ministry for this upcoming fall rotation. Let Mary McNair our Youth and Family Ministry leader know if you are interested.
