

CDCC Sunday Announcements

- 1) Sunday, January 31st:** We will be meeting back here at the church building for a 1pm Worship Service next Sunday. This service will be more traditional in nature do to the fact that it follows our Visionary Workshop Sunday and comes before our House Church Super Bowl Sunday. Therefore, we will be focusing wholeheartedly on the areas of singing, prayer, preaching, and fellowship. Let's be sure to faithfully be inviting friends and family out to this Worship Service. Our attendances have been growing throughout the month and it would be to God's glory to see our best attendance of the month on the final Sunday of the month. The theme of the Sermon will surround the theme for 2010 which is....."2010 A Year of Faith"!!!!
- 2) Thursday, January 28th:** This upcoming midweek will include all the women of the congregation, along with the singles and campus ministries!!! Remember, if you're a female then, you should be present. Let's not allow the pressures of the world and the deception of Satan to cause us to make an excuse not to be there. We all know how awesome our time together is and how this service helps us to get Spiritually re-energize for the rest of the week.
- 3) Glenn Eddy Nursing Home Saturday, January 30th:** We will be having a congregational wide outing to encourage and serve the patrons of the Glenn Eddy Nursing home. This is for the adults and children of the church family. We will talk, do crafts, sing and share the love of Jesus with the elderly who reside at the Glenn Eddy. Rachel Rogers will get more info to all of us as the event gets closer.
