

CDCC Sunday Announcements

- 1) Sunday, July 18th:** We will be coming right back here next Sunday at 1pm for our Sunday Worship Service. This will be a Service filled with singing, praying, God's Word and the Holy Spirit. Our hope is that all of you will return and bring a friend or two. We will be seeing a couple of short video clips from ICOC Hotnews that will update us on some of the amazing things God is doing in our family of Churches around the World!!!
- 2) Thursday, July 15th:** As always, the third mid week of the months will be held in the different Family Groups throughout the congregation. The singles and campus Family groups will have the opportunity to meet together at the Roger's home. Let's be sure to come to mid week ready to learn and fellowship with one another.
- 3) Bake Sale:** For about the last 4 months, the Pre Teen and Teen ministries have been raising money for their Church summer camps. The main way they have raised money is by selling different foods, snacks and treats following our Worship services. Today marks the last time these ministries will be doing this for the remainder of the year. Therefore, we encourage everyone to stop by upstairs following service and get yourselves something to eat during fellowship.
