

CDCC Sunday Announcements

- 1) Sunday, March 28th:** We look forward to once again coming together to praise and Worship God a week from today. We hope to see you and many others visiting with us. Our service will be filled with the Spirit of God as we sing, pray, and learn biblical lessons. We will continue with a focus on Faith and may this upcoming week see our Faith grow and expand in ways in has not done so before. Service will be at the regularly scheduled time of 1pm, right here at the church building.
- 2) Thursday, March 25th:** Our mid week service will include the entire Women's ministry, along with the Campus and Singles Ministries. This will be a strengthening time for the women of the congregation and we hope that each of you can make it. The men in the Campus and Singles ministries will be heading out to evangelize in various locations throughout our mission field.
- 3) Men's All Night Prayer:** A number of the men met at the church building for an all night prayer. It was an amazing time lifting up our hearts and minds to go through prayer. We prayed prayers of praise and confession, we prayed for boldness, our dreams and our families. We spent much time praying for many individuals that God put on our hearts and had an opportunity to share our favorite scriptures. God was both honored and pleased.

4) Singles Devotional: The Singles ministry is having a devotional this upcoming Friday, here at the church building, starting at 7pm. There will be disciples visiting from our churches in NJ and the night will bring much spiritual enlightenment and build the Unity amongst our Brothers and Sisters. Pray for Mark and Rachel Rogers as they lead this awesome devotional. The focus of the lesson will be “Unity”, the evening will start off with some great opening “ice breakers” and there will be refreshments served.
