

## **CDCC Sunday Announcements**

- 1) Sunday, May 9<sup>th</sup>:** Our Sunday Worship next week falls on the Special Holiday known as Mothers Day!! We will be back here to honor, praise and glorify God through prayer, song, scripture reading and fellowship. We will be encouraging all the Mom's that come out to service by sharing how special and important they are!!! Please do your best to bring any "Mother" or "Mother Figure" you know and we hope to see all of you next Sunday!!!
- 2) Thursday, May 6<sup>th</sup>:** We will be meeting here at the church building for our mid week this Thursday. Being that this is the first Mid Week Service of the month, it will be a meeting of the complete body. Please be sure to bring along your children. We will be hearing some good news sharing about Women's Day and any other "Good News" people may want to share!! We start at 7pm!!!!
- 3) Glenn Eddy Nursing Home Outing:** We are all aware that the congregation will be headed to the Glenn Eddy Nursing home, this upcoming Saturday, May 8<sup>th</sup>. Since this is the day before Mother's Day, let's come prepared with poems, stories, songs, etc...that will be sure to bring a smile to the residents faces. Event coordinator, Rachel Rogers asks that we arrive by 10am.
- 4) Women's Day:** An announcement can not describe the Spiritual impact of this amazing Women's function. So

many “thank you’s” deserve to go out that at this time...we just want to let all the women who served in any capacity...how grateful we are for you!!! God truly answered our prayers on behalf on this Women’s gathering. We had an attendance of 65, there were no parking spots left in the parking lot, Women were commenting on how amazing the food, entertainment and Spiritual sharing were!!! Let’s continue for the follow up with the visitors and pray that God works powerfully in their hearts!!!

**\*\*Let’s enjoy the fellowship following service and be sure to stop at the bake sale up in the kitchen area!!!**

**\*\*\*\*I would like to finish with a closing prayer!!!!**
