

## CDCC Sunday Announcements

- 1) **Sunday, May 16<sup>th</sup>**: Next Sunday the Congregation will be traveling to the Inaugural Service of the Syracuse Regional Church of Christ. The Syracuse brothers and sisters are very excited that we are going to Worship with them for this special Service. If you are visiting with us today and want to know more about this Church Service, just talk with one of the members of the congregation. Service will begin at 11am and the travel time is approximately 2 ½ to 3 hrs. We will be getting the address out to all members by Wednesday.
- 2) **Thursday, May 13<sup>th</sup>**: Our mid week service this upcoming Thursday will be held right here at the church building. This service will include all the men of the congregation, along with the Singles and Campus ministries. This service will give us the “spiritual boost” we all are looking for in the middle of the week. Let’s all coming to this mid week ready to give and learn.
- 3) **The Glen Eddy**: Yesterday, some of the members of our congregation visited the Glen Eddy Nursing Home. The purpose of this outing was to serve and encouraged the residents who live there. From all reports, it was incredible encouraging for all the residents and they were genuinely grateful. A big thank you to Rachel Rogers, our event coordinator.
